Commencement of Litigation

CMA Corporation Limited (ASX: CMV) yesterday filed and served a statement of claim commencing proceedings in the Federal Court of Australia against Mr Rowe, CMA's former Managing Director, and his private company WMR Investments Pty Limited.

The claim relates to a number of transactions which CMA alleges are not on commercial terms and which occurred between CMA and its subsidiaries and WMR Investments Pty Limited during the period Mr Rowe was Managing Director of CMA. CMA alleges these transactions give rise to breaches of the Corporations Act and Trade Practices Act.

A number of the allegations concern the terms upon which CMA leases properties from WMR Investments Pty Limited.

CMA is seeking damages to compensate it for alleged losses arising from these transactions and orders from the Court seeking to vary the terms of the relevant leases.

CMA remains in voluntary suspension and is continuing its capital structure review, working with advisors to consider the restructure of both debt and equity.
